**Class Policies:**

**Academic Honesty:** Copying and using another student's work is cheating. If you cheat in this class, you will either 1) fail the assignment or 2) fail the course. Cheating in an accounting class usually takes the form of using or copying another student's work and using it as your own. All assignments related to this class must be your own work. The JC Catalog defines academic honesty as "...the ethical behavior that includes (students') producing their own work and not representing others' work as their own..."

**Special Learning Needs** - Students requiring special assistance (including those affected by the Americans with Disabilities Act) should contact the Center for Student Success at 517-787-0800. This is the first step in acquiring the appropriate accommodations to facilitate your learning. I am willing to work with you to accommodate any of your individual learning needs. However, I need to know of any requests in advance in order to make necessary arrangements.

**JC Technology:** If you have trouble with your JC login or other computer issues, please contact the JC Solution Center at 517-796-8539. When e-mailing your instructor, please include your first and last name and put “ACC 232” in the subject line. Always save and back-up your files. Have a back-up technology plan in case your regular computer has problems. Please ask questions and get help early with any concerns you may have including technology problems.

**HQV Grades for JC:** To comply with college policy and federal regulations, you will be assigned HQV grades at approximately one week, two weeks, and eight weeks. **Our HQV dates are 1/23/18, 2/12/18, and 3/19/18.** The grades assigned are letters with the following meanings:

- **V = VERIFY** This means that I verify that you are participating in the class. You are participating in the class and submitting acceptable work.
- **H = HELP** This means that you are participating, but your work shows that you may need some help in order to complete the class successfully. If you receive an H grade, you will be contacted by the Center for Student Success and offered tutoring services.
- **Q = QUIT** This means that you have effectively quit the course. You are not participating in the class and also not submitting work. The Q grade withdraws you from the course. The instructor can only issue a Q grade on these 3 dates. The student can withdraw at any time up through the final course drop date on 4/27/18.

***Assignments & Grading Policies:***

**Absences**-If you miss a class, you will not lose any participation points, however, you will miss out on the lecture and assignment for that day. You will be responsible for covering any missed information on your own. I will not redo the entire lecture for you. If you need to be absent for any reason, you must review the material on your own.

**Late Work**-There is NO provision for late work. All assignments must be completed and turned in no later than the date stated on the class schedule. If you have an extraordinary circumstance in which you must miss class, proper documentation is required in order to make up the missed assignment. NO EXCEPTIONS!

**In Class Assignments**-These assignments are to be completed in class only. They are due at the end of class on the assigned day as dictated by the course schedule. These assignments are meant to reinforce the material that was just covered in the lecture for that day. If you miss a class, you miss the assignment. NO EXCEPTIONS!

**Homework**- All homework assignments will be completed using the MyBusinessCourse online program. The assigned problems for each chapter are available online only. The assignments must be submitted by **6:00pm EST** on the day we take the exam for those chapters. Please see the course schedule for accurate due dates.

**Exams**- Exams will be taken by hand in class on the scheduled exam dates. You will be given the entire class period to complete the exam. If you miss an exam, you must have an extraordinary circumstance (i.e. car accident, hospital, death in family) in order to make up the test. Proper documentation is required for the make-up. Having the sniffles, having to work, or on vacation are not valid excuses.
