At the Center for Student Success (CSS), we are committed to providing all students the opportunity to achieve academic success by providing a variety of support services free of charge to Jackson

College students. This includes, but is not limited to, peer and faculty tutoring, mental health referral, temporary assistance with transportation, various workshops/seminars, and the TRIO program.

In addition, the CSS staff is committed to adapting the College's general services to meet the individual needs of otherwise qualified students with disabilities, for the purpose of providing equal access to all programs and facilities.

Course Management

In accordance with the JC policy for incomplete grades, incompletes are only granted to student who have demonstrated good standing in the class and who have a passing grade at the time of an extenuating circumstance that precludes completion of the course. Documentation validating the circumstance will be required. Incomplete grades are not intended as a free pass out of class.

Makeup Policy

Students can turn in assignments one week late for ½ credit. Assignments have a daily point deduction after the due date. Assignments that are more than one week late will not be accepted. If you miss a class, please email me right away so we can discuss what you missed. Online courses involve a lot of work and it can be difficult to catch up if you are behind. Participation points are lost with any missed discussion board post. On JetNet, you will find the due dates for all papers and homework assignments.

Academic Advising

It is important to contact a Center for Student Success professional prior to the start of the semester in order to receive accommodations in a timely manner. While we will make every effort to coordinate accommodations in a timely manner, failure to self-identify prior to the start of the semester may delay notification to instructors and timeliness of acquiring accommodations.

Accommodations do not automatically carry over to the next semester. Please e-mail JCCSS@jccmi.edu or visit the [Accommodations for Students with Disabilities](#) web page

Student Responsibilities

Participation in discussion boards is mandatory and is an expectation built into this course. Every student will be expected to keep up with the reading and homework assignments. Be sure to complete all assigned homework on time. Your JC email and Remind will be the primary way I will communicate with you outside of class; however, I can be reached via Zoom and BBB. I suggest you check your JC email daily! If you don't use JC as your primary email, please have your JC email forwarded to your primary account so that you can get any class announcements. All assignments need to be posted to JetNet in the format specified or they will be given a zero. Late papers will be accepted one week after the due date for a deduction in points. You are still expected to post your work on time. (Email me right away if extenuating circumstances prevent this from happening).

Attendance- Participation Policy

Students must access the course and complete the weekly attendance assignment by Thursday at 5:00 of every week. Failure to do so will result in an absence for the week and will be deducted from your course participation points. If you miss two weeks of class, you will be dropped from the course.

Just as in a traditional classroom course, regular class participation and keeping up on the reading and assignments is strongly correlated with survival in college. It is my recommendation that you plan to do your assignments and take your exams BEFORE the last day they are due. If problems occur, there is time to fix them before the deadline.

In compliance with Federal Title IV funding requirements, as well as college initiatives, I will be monitoring student participation on a regular basis and officially reporting student activity throughout the term to assure compliance with college policy and federal regulations. It is imperative that you log in to the course and actively participate **within the first couple of days of the term** to validate your enrollment in the course. After that, not actively participating in class may result in you being withdrawn from the course. Being withdrawn from a course can have an impact on financial aid, billing, athletic eligibility, and housing status. As a college student you are responsible for how your participation impacts your academic progress; the accountability lies with you.

Caveat

I retain the right to modify this syllabus and any of its terms as appropriate throughout the semester. This right, however, is limited to practical necessities (schedule, assignments, etc.) and legal or institutional requirements that supersede this syllabus as a contract. Student feedback will also be taken into consideration. Students will be notified of any change to the syllabus.

Technology Policies

The use of technology is a requirement for this course. Please keep in mind that technical failures are not an excuse for late or missing work. Please use the following tips below to help avoid issues with technology.

- Do not procrastinate! You are given ample time to complete homework, and projects. Start early to avoid problems with technology.
- Save everything to a memory stick or to a cloud-based server such as Google Drive, Dropbox or iCloud.
- Use a program that campus computers can open; use the “Save As” option and save your document in multiple versions – such as “Word Document” or “Rich Text Format” or Word 2007. You can save all work as the earlier version (Word 97-2003) or as .rtf (some formatting may be lost)
- E-mail a copy of your work to your JCC account or another internet-based e-mail service – either as an attachment or in the body of the e-mail, or both. Some formatting may be lost in the body of the e-mail, but it’s better than nothing. This way, you can get a copy of the work wherever you can access the Internet.
